Option 1: \$4,300

Smooth Gel Coat On All Top Surfaces With Rounded Bull Nose Edge. This Is Our Flagship Hard Top

We offer two 3/4" cored fiberglass options. Both offer superior strength and durability compared to thin fiberglass skin tops. Each has slightly different features.

Option 2: \$3,600

Smooth Gel Coat Underside, Textured Gel Coat Top Side. Benefits Of A Cored Top At An Attractive Price.

These Items Are Included In The Purchase Price For Both Top Options

- Complete Fiberglass tops for center console boats from 18' to 26'
- Custom design, fabrication and installation at Fastech Marine Buzzards Bay, MA, facility
- 5' x 7' cored fiberglass top 3/4" thick
- 1.5" (2" OD) Schedule 40 aluminum pipe frame, bright polished & anodized
- (8) Mounting points to boat console & deck
- (4) Rod holders
- (1) Anchor Light
- Hidden wire chase that runs through frame to console for easy wiring
- All stainless steel fasteners & 3M 5200
